

**GSI Global Sustainable Value Fund
Report to participants for the reporting period**

Beginning of the reporting period 01/01/2018
End of the reporting period 31/12/2018

This report was made available on 25 June 2019.

The fund remains a reporting fund (using the definition provided in the Offshore Funds (Tax) Regulations 2009) at the date this report was made available to investors.

If a distribution has been made, you are required to report your share of the actual distribution received on your income tax return in the tax year to which each distribution is made.

The dates of the distributions made for Class A GBP as per the financial statements are

- 15 June 2018 - \$2.0000 per unit (£1.32925 per unit)
- 14 December 2018 - \$1.9400 per unit (£1.2747 per unit).

If excess reported income has arisen (i.e. the reportable income exceeding actual distributions in respect of the reporting period), it is deemed to have been distributed on the date six months following the end of the reporting period, being 30 June 2019, or, if relevant, on such earlier date as the excess reported income is recognised in the investor's accounts.

In order to compute the quantum of excess reported income relating to your shareholding, this can be calculated by reference to the number of units held by you as at 31 December 2018.

Should you have any queries with regards to the content of this report, please contact your tax advisor.
